TUPENTINE is also a sovereign remedy for croup. Saturate a piece of flannel with it and place the flannel on the throat and chest; and in a very severe case three to five drops on a lump of sugar may be taken inwardly. Every family should have a bottle on hand. The remedy is simple and can be easily tested. In all serious cases, an application should be made under medical advice.

Equality Life Theurence Company,

Princip et Office, No. 1015, Main Street, Richmond, Va.

REASONS why every one should insure in the Equality Life Insurance Company, of Virginia:

18. It is more Liberal to the Issurers than any other company, and will eventually become Purely Muthail and belong to the insurers.

2d. It circulates its money amongst its patrons, who are the insurers. Consequently they are continually getting the benefit of the rapid accumulation of the Company, the money being invested by the Board of Directors amongst the insurers.

3d. The loans of this Company are as liberal as other companies who declare dividends.

at he so ther companies who declare dividende at the end of the second, third and fourth years, but this Company at the end of the first and every year.
